## Greetings, Parents/Guardians, Members of the class of 2014,

We are about to begin the very important process of scheduling for next year. Grade 8 class meetings will start at each of the middle schools in January. At those meetings, counselors will explain the entire course selection process to students and where on the website to access a copy of the Program of Studies booklet and an individual course selection sheet. It is important for you and your child to review the information and make meaningful decisions in regards to course selections.

We would like to extend an invitation to all of the 8<sup>th</sup> grade students and their parents to attend an informative Open House in the high school auditorium on Thursday, February 4, 2010, at 6:30 p.m. (snow date of Thursday, February 11, 2010). The purpose of this meeting is to hear general information about the high school experience, an overview of the course offerings, and the process utilized for scheduling high school courses. You will be hearing from guidance, administrators, and high school students!

It is our hope that you and your student will be comfortable transitioning to the high school. Although it may appear overwhelming and challenging, high school is actually an exciting time filled with many wonderful opportunities. We encourage parents *and* students to attend this evening in order to share important information together.

We look forward to meeting you on the fifth of February in the high school auditorium.

Sincerely,

Gail Van Buren, Principal

Deborah Sarrey, Director of Guidance
