*The District* will be implementing the state of the art online and telephone based MealpayPlus system by Horizon Software International. The first day of service will be *December 1, 2007*.

MealpayPlus is a prepayment system that allows you to make deposits into your children's accounts via the web at [www.mealpayplus.com](http://www.mealpayplus.com).

- Allows you to sign up and register a child or children in multiple schools on the website
- Accepts credit cards (Visa, Master Card or Discover), bank check cards with VISA or MC logo and savings/checking accounts (e-check via ACH)
- Allows you to view child's balance
- Allows you to view payment history
- Allows you to view purchase history
- Deposit confirmations are emailed direct to your email account
- Low balance email reminders can be set up to remind you when your balance reaches a certain limit
- Allows payments and balances to be updated virtually real-time
- Wallet and Auto Replenish feature allows you to set a low balance amount that will automatically replenish your child's account at that balance from your credit card

Money deposited into MealpayPlus will usually arrive at the site within a matter of minutes. On occasion you will see a delay of up to 48 hours. Please set your low balance email reminder early enough for funds not to fully deplete.

Security is a priority with MealpayPlus. The data is encrypted at 128 bit encryption...with SSL/ secure socket layer. VISA protocol for its CISP/Cardholder Information Security program is followed and CISP certification from Visa is held. This is VISA's highest security certification.

MealpayPlus also has a Confidentiality Statement and User Agreement on the MealpayPlus website. Basically, we retain only enough information to process the payment and do not sell our lists to anyone.

If you have problems or payment processing questions, you can call **800.859.6508** between the hours of 9:00 - 6:00 EST. After hours, you will be asked to leave your number and you will be called the next business day. Parents can also send emails to [Support@Mealpay.com](mailto:Support@Mealpay.com).

Thank you for your support and enjoy the conveniences of MealpayPlus!
