Dear Dighton-Rehoboth Families,

Hoping that you and your family are well and safe.

As we have mentioned several times in past communications, we have been following guidance from the Department of Elementary and Secondary Education (DESE) upon the closure of our schools on March 16, 2020. With that said, please [click here](#) for a letter from our Commissioner of Education providing updates to previously mentioned items. We met today remotely with our administrative team to discuss the new guidance provided in the Commissioner's letter and how it impacts our school district. We also reviewed input from teachers and parents as well as discussed the closing of our term three report cards, introducing new material once term three is closed, and providing new flexible home scheduling guidance. Our plan is to provide you with additional information on Friday regarding important updates to our distance learning program. Also, more information will be forthcoming in regard to the closing of term three.

Finally, please reach out to your child's administrative team if you have any questions, comments and/or concerns.

Sincerely,
Dr. Azar
