Dear Dighton-Rehoboth Families,

Extended Learning Update: Teacher Webpages:

Starting tomorrow teacher webpages will be available on the [DR Extended Learning Website](#). These teacher webpages are a platform for teachers to give specific announcements to students and families as well as offer direction on how best to utilize virtual learning applications and resources.

To access, click on the grade level span links either at the top or middle of the website. Then, click on the school your child attends. This will lead to individual links to teachers' webpages.

1. *Click on grade span links to access teacher webpages.*

PreK -Elementary Resources Middle School Resources High School Resources

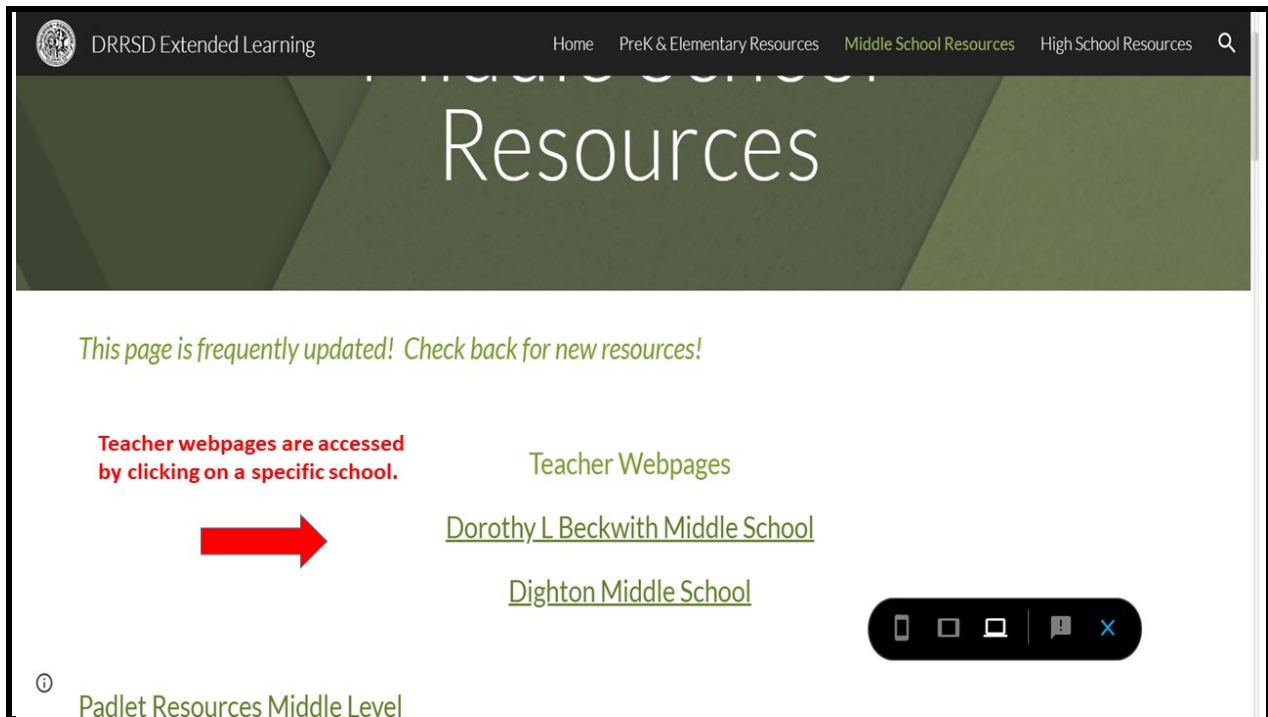

Dear Dighton-Rehoboth Families,

In an effort to provide students the opportunity to learn when school is not in session, Dighton-Rehoboth Regional School District has created this "extended learning" site, which contains suggested, supplemental resources and activities for students to continue learning at home.

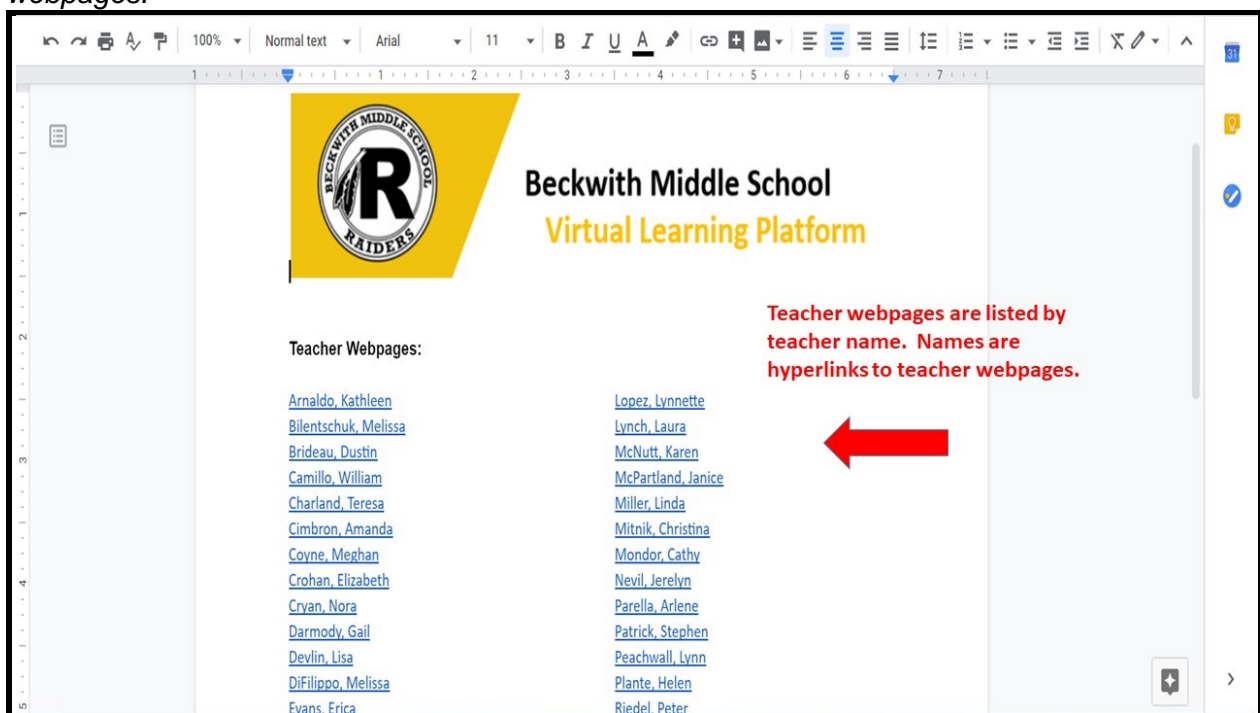

2. *Teacher webpages are accessed by clicking on a specific school.*

The mission of the Dighton-Rehoboth Regional School District, in partnership with parents and the community, is to provide students with the tools, including technology, to acquire knowledge, apply skills, critically analyze information and issues, and develop social responsibility.

Dighton-Rehoboth does not discriminate based on race, color, religion, gender, national origin, age, marital status, veteran status, disability, sexual orientation, gender identity, or any other legally protected group.

3. Teacher webpages are listed by teacher name. Names are hyperlinks to teacher webpages.

Please note, our extended learning guidance is from the Massachusetts Department of Elementary and Secondary Education (DESE). At this time, DESE does not suggest holding students accountable for digital learning in the form of grading and/or attendance. If this

The mission of the Dighton-Rehoboth Regional School District, in partnership with parents and the community, is to provide students with the tools, including technology, to acquire knowledge, apply skills, critically analyze information and issues, and develop social responsibility.

guidance changes, we will inform stakeholders immediately and develop a plan following these new guidelines.

Food Service/Grab and Go Update:

Thanks to the collective efforts of the Dighton Rehoboth Schools & Whitsons Food Services, we are happy to inform you that beginning **Tuesday, March 24, 2020** a “Grab & Go” meal plan will be available to all students of our district. The Dighton Rehoboth Schools will provide “Grab and Go” meals during our district closure to any school-age child in need of lunch. Each boxed “Grab and Go” meal contains (1) lunch and (1) breakfast for the next morning.

Meals can be picked up Monday through Friday from 10 am to 12 pm curbside at the Main Entrance of the Dighton Rehoboth Regional High School, 2700 Regional Road. All meals are free and you may stop by anytime during the service hours.

Please be assured that we will take every precaution to ensure the safety of our staff, students, and their families by following social distancing practices at the pickup location. If you or your child are feeling ill, we respectfully request that you refrain from attending this meal service opportunity. Please note that due to the nature of the meal service and product availability from our vendors, we will not always be able to accommodate allergies and parents/guardians are asked to please assume that responsibility.

Frequently Asked Questions:

To further support our stakeholders, DRRSD has created a [Frequently Asked Questions page](#). This document is frequently updated as information becomes available so we encourage families to access this document often.

We thank you for your continued support.

Sincerely,
Dr. Anthony Azar
